PRIME STEM Project
Peer Tutor Application

The PRIME STEM Project was developed for students destined to reach their PRIME. With funding from the United States Department of Education TRIO Student Support Services (SSS) grant, UCF has created a customized program for a select 120 students pursuing degrees toward graduation in STEM related majors: Science, Technology, Engineering, and Mathematics. The PRIME STEM Project addresses the academic and social needs of eligible students enrolled at UCF who are first-generation in college, have a documented disability, or demonstrate financial need.

Position: Peer Tutor (several positions)
Approximately 8 hours per week.
Pay rate is $8.50 per hour.

Qualifications:
For consideration, candidates must possess the following qualifications.

- Minimum grade point average of 3.5
- Junior or Senior level, (other qualified applicants may be considered)
- **Declared STEM Major**
- Strong interpersonal skills
- Knowledge of their major and college
- Knowledge of university academic resources
- Ability to use a variety of study aids
- Ability to work well with others
- Positive attitude
- Comfortable presenting to large groups
- Must have a B or higher in the course being tutored

Responsibilities:
Peer Tutors will:
- Tutor a math/engineering/or science subject
- Establish coaching relationship with PRIME STEM tutees
- Implement study skills techniques
- Complete weekly tutor reports
- Assist with program publications
- Other duties as assigned

Application Process:
Please complete the attached application, submit a copy of your resume and a recommendation letter from a UCF faculty member to Jennifer Carbon in Howard Phillips Hall 208.
