

Student Designer Position- PRIME STEM Program

The PRIME STEM program in the UCF SDES TRiO Center is seeking applications for a student designer/assistant to work on marketing pieces for events, workshops, videos, presentations, and other office publications. Additionally, this position will assist with converting documents to be accessible for document readers and online (training will be provided if necessary). This experience can help build a student's portfolio and will provide an opportunity for creative growth.

Experience in InDesign is required. Previous experience in designing publications, shooting and editing videos, and document editing experience is preferred.

Hourly position: \$10.00/hour for 8 hours a week, Monday-Friday 8am-4pm.

Start Date: May 2018 with the possibility of extension through the 2018-2019 academic year.

If interested in this position, please submit the information below, a sample of work/link to portfolio, your resume, and your summer class schedule to: Rasha Daniel, Assistant Director, PRIME STEM at rasha.daniel@ucf.edu or you can drop it off in the *SDES TRiO Center in HPH 208*. Applications should be received no later than **May 23rd**.
