EAST RIVER
HIGH SCHOOL

DIRECTOR'S CORNER

Welcome to the month of May Rise scholars, parents, and East River family. It's our anniversary!!! We are celebrating one year of producing our RISE Newsletter. We hope that you have found the information we present each month beneficial. We would like to offer an opportunity for students and parents to contribute to the newsletter. If you would like to submit an article or helpful information, send it to coretta.cotton@ucf.edu for consideration. National Decision Day is hosted in May. This is when we find out what college or university our seniors have decided to attend. Many of our scholars have been accepted to more than one school. We're excited to hear your choices and even more excited about your future.

AVOID THE SUMMER SLUMP

Set Goals

Start by figuring out what you want to accomplish over the summer. Do you want to get ahead on applications? Get a job to save money for college? Find a way to volunteer? Participate in Project RISE's summer program? Whatever your goals may be, break down the steps you need to take in order to achieve your personal priorities. Remember, the best way to dodge boredom is by staying busy!
