DIRECTOR'S CORNER

Happy April RISE scholars, parents, and East River Family. This month we will continue to work with our seniors to make sure they are college ready. We will also roll out the plans for our 6-Week Virtual Summer Program. The summer program will be available for students who are currently in 9th thru 11th grade. We will offer academics, career exploration, mentoring opportunities, workshops, fun activities, and much more. If you know a student who would benefit from our program refer them to our website for the application at trio.sdes.ucf.edu/project-rise/. Interested students and parents can also email me at coretta.cotton@ucf.edu or call at 407-823-4286 for more information.

Wishing everyone an amazing April!

A MESSAGE FROM OUR COORDINATOR

Hello RISE Scholars,

Thank you for those taking the time out to schedule appointments and meet with me. Please continue to reach out, schedule future appointments and attend workshops. For all others I have missed, contact me to schedule your appointment because I want to ensure each student has an opportunity to meet with me individually. Together we will work towards completing your goals and setting new ones.
