TRIO Student Support Services (SSS) is a federal program funded by a grant from the U.S. Department of Education. The SSS grant provides opportunities for academic development, assists students with basic college requirements, and serves to motivate students toward the successful completion of their post-secondary education. The goal of the SSS grant is to increase the college retention and graduation rates of its participants.

The Ginsburg Center for Inclusion and Community Engagement's TRIO Program offers **two** SSS programs:

- ❖ PRIME STEM for students in STEM Majors: **biology, biomedical sciences, computer science, health sciences, engineering, and information technology** (124 qualified students)
